5. Police observed an end of glass pipe with residue in a box that was consistent with a pipe commonly used to smoke methamphetamine.
6. Outside the building and on the ground around two vehicles' police observed several more aluminum foil pieces.
7. There are two Honda CRVs on the property parked in front of the metal shed.
8. The green Honda CRV TN 510BDZN is registered to Jared Broome.

13. K9 Quest demonstrated an alert with increased respiration and pulling handler towards the metal building. K9 Quest ignored Handlers request to check the Red Honda CRV and continued to pull Handler to the open door of the Metal Building.
14. Handler had to redirect K9 Quest to sniff the vehicle for a second time, at that time K9 Quest checked the vehicle but then immediately changed body posture and pulled handler back towards the metal building.
